Report No. 01

We commend the Ministry of Christian Giving (MCG) for their faithful service in encouraging every member to “excel in the grace of giving” through Christ. We give thanks to God for blessing these efforts. We encourage every congregation to utilize MCG resources and invite the Christian giving counselors to meet with their membership. We strongly encourage every congregation to participate in the “Equipping Christian Witnesses” campaign in support of the mission and ministry of Martin Luther College.

We also commend Communication Services for their continued efforts to communicate the WELS mission to the Synod and the world. We encourage every congregation to share these materials and resources with God’s people.
