Strengthening and enhancing ministry

*An annual report
to WELS ministries*

2019

WHAT ARE THE BENEFITS OF WELS MINISTRIES INVESTING THROUGH WELS INVESTMENT FUNDS?

- WELS Investment Funds was incorporated as a **support services subsidiary of WELS** in 1997 and currently manages more than \$220 million for more than 200 WELS and affiliated ministries including WELS Foundation, Martin Luther College, Wisconsin Lutheran Seminary, Luther Preparatory School, Michigan Lutheran Seminary, WELS Home and World Missions, several area Lutheran high schools, and more than 185 congregations.
- **WELS Investment Funds provides cost-effective, professionally managed investment portfolios exclusively for WELS and affiliated ministries.** By pooling our God-given talents and resources with other congregations we can take advantage of lower cost, institutional priced investment opportunities that are not available to smaller investment accounts. As more congregations and organizations invest in WELS Investment Funds, the cost reduction benefits increase. It's a way we can help support each other.
- **WELS Investment Funds is easy to use.** Executive Director Jim Holm, CFP®, an employee of WELS, is available to meet with your organization, either in person or via phone, to discuss the various investment options available through WELS. Our investor services specialist, Monica Peavy, is also available to guide you through the steps to open and maintain an investment account.

WHO CAN INVEST IN WELS FUNDS?

Any 501(c)(3) organization that is affiliated with WELS, i.e. listed in the WELS Yearbook. (Individuals and organizations located in Connecticut, Maryland, Pennsylvania, Tennessee, or Virginia may not invest in WELS Funds.)

HOW ARE THE FUNDS MANAGED?

WELS Investment Funds' Board of Directors has retained Vanguard Institutional Advisory Services® as the investment consultant for WELS Investment Funds. As a co-fiduciary, the investment consultant is responsible for making investment recommendations to the board. Once the recommendation is approved by the board, the investment consultant, after consideration of the WELS Investment Funds' investment policy statement and the various investment objectives and restrictions therein, has the discretion to implement and oversee the investment recommendations.

A copy of the most recent investment policy statement is available on the WELS Investment Funds' website at wels.net/welsfunds.

MANAGEMENT

The Board of Directors of WELS Investment Funds is responsible for the operation of WELS Investment Funds, including the engagement of investment consultants. Directors serve four-year terms and are appointed by the WELS Synodical Council.

For administrative convenience, efficiency, and cost effectiveness, WELS Investment Funds leases its personnel from WELS. WELS also provides services relating to the processing of transactions, preparing investor account statements, and the preparation of corporate financial statements.
