

AFFILIATED ORGANIZATIONS

For more information, call or visit the organization's website

The organizations listed as "affiliated organizations" are included at their request because they are in fellowship with WELS. WELS is not involved directly in their ministries or finances; each organization is independent of WELS in all matters other than doctrine. Inclusion in the *WELS Yearbook* does not constitute an endorsement of how organizations are administered or an assurance of the status of their overall financial health and stability.
